

Suggested Use: With measured dropper add to formula or food. Best when taken as directed by your pediatrician. To preserve freshness, thoroughly clean the dropper including the bulb and store separately. Store the bottle with the original cap in the refrigerator.

Warnings: Keep out of reach of children. Those taking prescription medications (e.g., blood thinners) as well as those with a physician-diagnosed medical condition should consult with a pediatrician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

Natural color variations may occur.

Sealed for your protection. Do not use if seal is missing or broken.
