

Even a healthy immune system can get overwhelmed by stress and uncertainty. This can quickly deplete your most crucial bodily first responders – your antibodies (otherwise known as Immunoglobulins.) **ultimate IgG** supplies fresh troops of antibody fighters to drive a healthy immune response, maintain microbial balance, and support optimal gut-barrier function.

Unlike many immunoglobulin products, **Just Thrive® ultimate IgG** is a dairy-free formula derived from bovine serum, making it free of lactose, casein and β -lactoglobulin.*

DIRECTIONS: Ages 8+. Take 4 capsules daily with or without a meal, or as directed by your healthcare practitioner.

CAUTION: If you are pregnant or nursing; taking any medication; have a medical condition, consult your doctor before using this product. Keep out of reach of children. Use only if safety seal is intact.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Manufactured for: DMS Natural Health, LLC, 810 Busse Highway,
Park Ridge, IL 60068 800.455.8939
