

SUGGESTED USAGE: As a dietary supplement, mix 2 level scoops (52 g) daily into 10-12 oz. of water, juice, or other liquid, or as directed by your healthcare practitioner. This product is intended for use as a nutritional supplement.

HOW IT WORKS: ProtoMeal™ Chocolate is a whey-based multi-purpose nutritional supplement designed to support overall health and well-being.* ProtoMeal™ Chocolate features high-quality whey protein isolate, which has all of the essential amino acids, is easily digested, supports healthy glutathione levels, and promotes satiety.* This formula also has co-enzyme B vitamins and chelated minerals, MCTs as a desirable lipid source, plant-based digestive enzymes, and live probiotic bacteria. Sweetened with GI-friendly erythritol and organic stevia, its naturally low sugar content makes ProtoMeal™ ideal as a nutritional supplement or as a mid-day pick-me-up.*

ProtoMeal™ can be used daily and is perfect for continued nutritional support following the ProtoClear™ Detox Support Program.

ProtoMeal™ Chocolate's ingredient profile also includes:

- Aquamin® food-based mineral source supplying Calcium, Magnesium, and 74 other trace minerals
- Chromium Chelavite®, a highly bioavailable form of chromium to support healthy blood sugar levels*
- Inulin prebiotic, Probiotic bacteria, and plant-based Digestive Enzymes to support digestive health*

CAUTIONS/INTERACTIONS: If you have sensitivity to dairy or any other ingredients, please check with your healthcare practitioner.
