

Directions:

For children 4 years and older; we suggest starting off chewing and swallowing a half gummy per day before bedtime and gradually increasing to one gummy, or as directed by your child's pediatrician.

Not recommended for long-term use or use in children under 4. Consult your child's pediatrician before using this product if your child is experiencing long-term sleep difficulties, if your child has kidney problems or an obstructed bowel, or currently taking medication or has a medical condition. Do not drive or operate machinery when taking this product.

Keep kids safe: To avoid choking, give gummies only to children who can easily swallow chewy foods. Children should be seated and under adult supervision when consuming this product.
