Canker-X[®]

LOT CODE

Key Ingredients:

Polyvinylpyrrolidone	Micro-thin, invisible protective coating promotes healing and quickly relieves pain
Sodium Hyaluronate	Hydrates sore
Aloe Vera	Soothes the sore

Purpose:

Uses:

- Best for pain relief due to canker sores, mouth sores, cheek bites and abrasions from braces and dentures
- Promotes healing by forming a protective barrier against irritants
- Canker-X is a unique, patented and clinically tested formula that contains no alcohol or benzocaine for long lasting relief
- Helps promote healing without stinging or burning
- Contains soothing Aloe Vera
- Quickly relieves pain

Directions:

- Apply gel directly to canker or mouth sore as often as needed
- Apply 1 or 2 drops of gel to cover the whole sore
- Apply a thin coat of gel with a cotton swab or clean finger
- Do not touch the sore with the tongue for at least two minutes after application to allow the protective barrier to form
- Avoid eating or drinking for one hour

Warnings:

- Do not use if package is damaged
- Keep out of reach of children
- Store at room temperature, out of direct sunlight
- Do not freeze

Ingredients:

Water, polyvinylpyrrolidone (PVP), maltodextrin, propylene glycol, PEG-40 hydrogenated castor oil, xanthan gum, potassium sorbate, sodium benzoate, flavour, disodium edetate, benzalkonium chloride, saccharin sodium, sodium hyaluronate, glycyrrhetic acid, aloe vera

Manufactured in Italy
