Code: 79760 v5.1B

Directions: 2 capsules taken daily with food, 1 at breakfast, 1 at lunch, or as professionally directed.

This product should not be used as a substitute for a varied diet and healthy lifestyle. Do not exceed the stated recommended daily intake. Do not purchase if the seal is broken. Keep out of reach of children. If you are under medical supervision, please consult a doctor before use. Not suitable for use during pregnancy, planned pregnancy or breastfeeding. If you are taking anti-coagulant medication, do not take this product except on the advice of a doctor. Long term intake of amounts greater than 10mg of vitamin B6 daily may lead to mild tingling and numbness. This product contains iron, which, if taken in excess, may be harmful to young children. Keep out of sight and reach of children. Store in a cool, dry place. For best before and batch, see base.

***Vitamin B6, B12 and folate contribute to normal homocysteine metabolism and the normal function of the immune system.**
