Manufactured in the UK

Food Supplement - 50 Grams

Directions: Half a teaspoon (approx. 1.5g), or as professionally directed, stirred directly into water or blended into a smoothie/mixed into yoghurt. Take daily before food, with plenty of water. You can divide the dose to take with each main meal if preferred. To improve mixing, add to one tablespoon of water first (preferably warm) and gradually add more water to taste.

This product should not be used as a substitute for a varied and balanced diet and healthy lifestyle. Do not exceed the stated recommended daily intake. Do not purchase if the seal is broken. Keep out of reach of children. If you are under medical supervision, please consult a doctor before use. Not suitable for use during planned pregnancy, pregnancy or breastfeeding. Caution is advised for individuals with high blood pressure. Store below 25°C in a dry place away from direct sunlight and heat.

For best before and batch number, see base.
