FOR ENERGY AND MENTAL ALERTNESS*

20 MG • 30 TABLETS

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	
Co-E1™ NADH (Reduced β -Nicotinamide Adenine Dinucleotide-Coenzyme Vitamin B-3)	20 mg†
Chlorophyllin	1 mg†
†Daily Value not established.	

Other ingredients: D-mannitol, sodium bicarbonate, kollidan, natural peppermint flavoring, and magnesium stearate.

NADH, a natural coenzyme derived from vitamin B-3 (niacin) is essential for basic metabolism, respiration, the breakdown of sugars and fats, and the production of ATP, the primary energy molecule in our cells. NADH is a crucial component of the ATP energy production cycle, which supplies energy to the brain, nerves, muscles, heart and all other organs, in order to function. NADH sublingual is great for traveling, jet lag, studying, workouts, athletic performance or whenever a natural boost of energy is needed.*

Suggested Use: 1 tablet daily. Place tablet under tongue until fully dissolved (1 to 4 minutes). For maximum effectiveness do not chew tablet and limit swallowing while under tongue. Allow tablet to completely dissolve.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.

STORE IN A COOL DRY PLACE.
