Gluten-Free

Easy-To-Swallow

All the Vitamins. None of the gag.

This once-daily caplet checks all the boxes in the ASBMS guidelines, keeping your nutrition on track after WLS.

It's designed to be as small as possible, with a smooth shape and special coating that helps it go down easy—no more gagging your way to WLS success.

Questions? Please call 1-305-477-1325

Meet the WLS Multivitamin that's changed the game for patients everywhere.

You probably know us from our melt-in-the-mouth tablets that have helped thousands of WLS patients.

It wasn't long before our happy customers asked us, "can you make a once-daily vitamin? I'm ready to graduate from chewables!"

So, we listened and put our scientists to work making something magical.

It's small. It's smooth. It's complete.

It's made in small batches at our own facility by people who care. And it's only from Barimelts®.

Suggested Use: As a dietary supplement, take one (1) caplet a day or as recommended by your healthcare professional.

If you are pregnant, nursing, or taking medication, consult your healthcare professional before use. Keep out of reach of children. Store in a cool, dry place.

Supplement Facts
