

Digestive Health contains clinical amounts of full spectrum digestive enzymes that may help stimulate the body's natural enzyme systems to help breakdown most common food sensitivities including Gluten, Dairy and Beans.*

Emerald Labs is family owned and operated since our beginnings in 1996. We are committed to providing your family with additive-free formulas and superior nutrient form in therapeutic amounts.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent disease.

Product is manufactured in a facility that processes milk, egg, soy, tree nuts, fish and shellfish.
