

Doctor's Best Curcumin Phytosome® with Meriva® uses patented Phytosome® technology which allows for curcumin nutrients (the curcuminoids) to be more effectively absorbed. Curcumin is the yellow pigment of turmeric and has a long history in Ayurvedic and Chinese medicine. As a powerful antioxidant and free radical scavenger, it has many traditional uses. Curcumin is one of the most widely researched botanicals in the literature. Curcumin Phytosome®, with sunflower lecithin, offers superior bioavailability.*

Helps deliver curcuminoids with enhanced stability and superior bioavailability*

Helps promote healthy functioning of the joints, eyes, prostate and other organs*

Helps support healthy management of antioxidant defenses*
