

High Potency Ginger Root Extract is made with **Ginger**, a unique ginger extract created using a solvent-free, supercritical CO₂ extraction. This extraction concentrates the rich phytochemistry of ginger root into a capsule. **Ginger** utilizes UltraSOL technology to facilitate nutrient dispersion, enhancing bioavailability.* Ginger has many bioactive compounds, gingerol being the primary class of compounds responsible for ginger's pharmacological activity.* The bioactive compounds in ginger have been clinically tested to reduce nausea and help maintain digestive health.* Ginger ale has been utilized by mothers to soothe an upset stomach, just as ginger root has been used for thousands of years for digestive health.

Helps reduce nausea*

Supports a healthy stomach*
