

A comforting herbal trio. During menopause, some women may experience symptoms that can disrupt daily life, and Menopause Spectrum™ with EstroG-100® can help offer comfort. Crafted from a blend of three herbal root extracts (sage-like *Phlomis umbrosa*, a form of milkweed *Cynanchum wilfordii*, and *Angelica gigas Nakai*), EstroG-100® can help manage hot flashes, night sweats, nervous irritability, dizzy spells, vaginal dryness, numbness and tingling, occasional emotional discontent, and occasional fatigue associated with menopause.*

Supports

- Emotional well-being*
- Hot flash and vaginal dryness relief*
- Restful sleep and alleviating night sweats*
