

MSM with OptiMSM® provides sulfur known for being nature's 'beauty mineral'. Sulfur is a key component of collagen that supports the skin's structural framework and is a building block of keratin, an important constituent of hair and nails.*

This product contains a high quality MSM (methylsulfonylmethane) backed by numerous clinical studies.* MSM helps support the formation of healthy connective tissues, overall joint health, and mobility.*

Supports

- Overall health for vibrant hair, skin, and nails*
- Joint comfort and mobility*
- Antioxidant defenses*
