

Suggested Usage: Take 2 capsules daily with food. *Candida albicans* is a naturally occurring yeast that typically resides in the gut as part of the normal gut flora. Candida Support is a combination of traditional herbal ingredients (Pau D'Arco, Black Walnut and Oregano Oil), Biotin (a B-complex vitamin) and Caprylic Acid (a naturally occurring fatty acid derived from plant oils) that may help to support a healthy balance of intestinal bacteria.* Although Candida Support is not meant to clear *Candida albicans* from the gut, it can help to support a healthy balance of intestinal flora.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, soy, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet.
