

CATALO Active Probiotics Natural Defense Formula contains 7 friendly targeted premium Probiotics Strains which can effectively boost immune functions¹ and overall wellness. Each packet provides 10 billion CFUs Probiotics delivered straight to the digestive tract with high stability and potency. It helps restore beneficial bacteria and promote healthy microflora balance in the intestinal tract which has been shown to support natural immune defense, strengthen intestinal barrier and reduce sensitivity. It also provides targeted support for digestive issues, helps improve bowel movements to promote daily relief from gas, bloating, irregularity, occasional constipation and diarrhea. The mouth dissolving powder can be directly consumed or easily dissolved into any food and drinks.

Main Functions:

- Boost immune functions¹, strengthen intestinal barrier and reduce sensitivity
- Restore beneficial bacteria and promote healthy microflora balance
- Relieve from gas, bloating and irregularity
- Reduce occasional constipation and diarrhea
- Promote digestive health and overall wellness

Suitable for: Adults, easily get sick, poor immunity, suffer from itchy skin or sensitive symptoms, bloating, occasional diarrhea or constipation, drug-induced intestinal discomforts, want to have good digestive and intestinal health
