

CATALO Anti-aging Collagen HA Total Revitalizing Essence contains the patented ingredient BioCell Collagen® which is derived from chicken sternal cartilage. The patented process yields smaller molecules that can be easily absorbed through the skin or the digestive system. Its unique HA content – an important component of youthful skin – binds to water which increases the skin's supple elasticity and helps proliferation of healthy skin cells. CATALO Anti-aging Collagen HA Total Revitalizing Essence does not contain any hormone and antibiotic. It supports joint health, and also helps you to minimize the traces of aging.

Main Functions:

- Boost skin moisture and elasticity
- Reduce wrinkles and appearance of aging*
- Smooth skin and even skin tone
- Support joint health

Suitable for: Desire for beautiful skin and youthful appearance, want healthy joints, concerned about skin and joint health
