

CATALO Children's DHA Liquid Calcium (with Omega-3, Magnesium, Zinc & D3) contains the essential primary nutrients for healthy bone growth, brain development and immunity at childhood. Calcium, Magnesium and Vitamin D3 are the golden combination for establishing a strong foundation for child's structural integrity¹. Zinc and Vitamin C are added to serve as a great immune booster to your child. This formula contains another core ingredient, natural ocean fish oil. A serving provides 135mg Omega-3 and 62.5mg DHA. Natural ocean fish oil can promote learning ability and memory to your child. CATALO Children's DHA Liquid Calcium (with Omega-3, Magnesium, Zinc & D3) contains great tasting natural peach and mango flavor without added artificial colors or flavors. With its unique 3-in-1 formula of foundational bone elements of Calcium, Magnesium and Vitamin D3, immunity booster of Zinc and Vitamin C, and Omega-3[#], it is a naturally delicious and nutritious daily option to your child!

Main Functions:

- Enhance healthy bone and teeth growth
- Promote brain & eye development
- Strengthen immune system

Suitable for: Infants 6 months old and above, children or teenagers who concern about bone and teeth health, concern about brain and eye development, lack of a balanced diet and physical exercises
