DIETARY SUPPLEMENT

CATALO Children's Goat Milk Formula (with Probiotics, Milk Calcium & Vitamin C) is made from US premium goat milk, which is specially formulated with TruCal® Milk Calcium, two active Probiotics Strains, Fructooligosaccharides (FOS) and Vitamin C to promote children's bone, intestinal and immune health, and also fully support their physical growth and overall wellness. TruCal® Milk Calcium contains natural minerals, which is nearly identical to human bone and teeth structure. It is highly absorbable for skeletal and teeth development. Teaming up with two active Probiotics Strains and FOS to promote digestive health and regular bowel movement. Vitamin C helps facilitate immunity, body cells, gums and muscles health, it also helps for better iron and calcium absorption. The chewable tablet is specially made in bear shape with delicious natural strawberry flavor, parents and children simply love it!

Main Functions:

- Enhance immunity
- Promote bone and teeth development
- Maintain healthy digestive functions and nutrient absorption
- Relieve bloating and irregularity
- Keep body cells, gums & muscles healthy
