

Children's Vegetarian D3 Spray

contains vitamin D3 that is an important nutrient for children's growth. Ensuring adequate daily vitamin D3 intake can help calcium absorption for healthy bone growth and immune health. With just a serving every day, you can enjoy the warm sunshine safely anytime with the protection of sunscreen!

- Vegan D3 - Made with non GMO ingredient[†] extracted from natural Lichen with no preservatives or artificial flavors and colors
- Convenient to Serve - Can be sprayed directly into the mouth, or on your favorite food or beverage so your meals are always enriched
- Better absorption - Tiny vitamin D3 droplets can be absorbed faster than tablets
