

CATALO Children's Milk Calcium with Probiotics & Acerola Cherry is made from TruCal® Milk Calcium, natural Active Probiotics and Acerola Cherries. Calcium is vital for children's fast skeleton growth before adolescence. TruCal® Milk Calcium contains natural minerals, which is nearly identical to human bone and teeth structure. It is highly absorbable for skeletal bones and teeth development. Teaming up with active probiotic cultures, it promotes digestive health and immunity. Acerola Cherry is renowned for its rich content of vitamin C. It is good for facilitating immunity, body cells, gums and muscles. It also helps the body to absorb iron and calcium. This product is specially made in chewable tablet with delicious natural blueberry flavor. There is also no sugar added, parents and children simply love it!

Main Functions:

- Promote bone and teeth development
- Enhance immunity
- Keep body tissues, gums & muscles healthy
- Maintain intestinal probiotics balance and promote digestive health

Suitable for: Children in the growth stage, concerned about strong bone and teeth development, easily get sick, weak or poor appetite, irregular bowel movement, bloating, occasional bowel problems.
