

CATALO Children's Vitamin C Formula
The Vitamin C provides equivalent to the amount you would get from 4 oranges! Each serving contains 100mg natural vitamin C to obtain age 2 or above children's optimal daily intake. Unlike other popular synthetic vitamins, natural vitamin C from acerola cherry encourages better absorption and higher efficacy. This powerful anti-oxidant contains bioflavonoids to boost immunity. It improves Iron absorption and blood production. At the same time, it also encourages collagen production, maintaining healthy tissue, supporting teeth and bone health and alleviating allergic symptoms. Help your children with focus and concentration to school. Bear-shaped chewable tablet with delicious natural orange and pineapple flavor, parents and children simply love it!

Main Functions:

- Boost immunity and build stronger physique
- Support teeth and gum health
- Help alleviate allergic symptoms
- Help with focus and concentration

Suitable for: Children in the growing stage, want to boost immunity and concerned about sensitive skin and teeth and gum health
