

**CATALO Extra Gold Beauty Slim** contains a patented ingredient, Phase2®, a natural carbohydrate blocker that is clinically proven to reduce nearly 66% of starch in foods like rice, noodle, bread, potatoes and other bakery products, results in reducing calories intake and weight loss.\* It is powerful in removing excess oil, fat, starch from the meal so as to reduce the excessive calories being absorbed by the body. It is safe and effective in weight control and starch reduction. Along with other natural weight control ingredients, including Banaba Leaf and Chitosan, to power up the magical slimming effects, it is able to help controlling sugar craving, reducing fat absorption, increasing metabolism and burning fat effectively. It simply allows you to enjoy your meals while still losing weight. It also helps to keep your body in a good shape naturally. Natural and non-stimulant, also proven safe with no side effects. It is also ideal and suitable for people who are concerned about blood sugar and other metabolic conditions.

#### Main Functions

- Reduce starch and carbohydrate absorption
- Reduce fat absorption and help to control weight
- Increase metabolism and speed up fat burning
- Reduce fat deposition and shape up the body

**Suitable for: People who like to eat, frequent starchy or greasy diet, frequently craving on sugary food or desserts, rarely exercise, gain weight easily, want to control weight**
