CATALO Extra Omega-3 with Vitamin D3 Jelly Bites are easy to chew with their smooth and soft texture. It is sugar free and made with ingredients that sourced from nature, including Omega-3 fatty acids and Vitamin D3 to promote cardiovascular health and healthy blood vessels*. Each jelly bite is individually sealed in double foil for protection and preservation, ensuring the same quality from the day it is produced to the moment you take it. There's no fishy taste with juicy orange and lemon flavor that might be associated with other Omega-3 products, making them much more enjoyable to take.

Directions: As a dietary supplement, for adult, take 1 jelly bite 1 time daily. Take another jelly bite as needed. Please chew carefully and thoroughly. Do not swallow directly.

One jelly bite provides
✓ 600mg high concentration
Omega-3 without fishy taste
✓ Eat anytime even
without water
