CATALO Extra Vitamin E Formula contains natural Vitamin E sourced from non-GMO soybean, which is better absorbed and utilized by the body than synthetic Vitamin E. It provides extra strong anti-oxidative power to protect body cells, tissues and organs from damage caused by free radicals and reduce cell deviations. It has been found to help revitalize and protect tired skin in order to diminish the signs of aging. These strong anti-aging properties can help alleviate skin dryness, smooth wrinkles and firm skin. Besides, the body also needs sufficient Vitamin E to help support immune health, increase elasticity of blood vessels, and promote cardiovascular health. Only one softgel can provide 400 IU natural Vitamin E to fulfill the daily need and ensure a continuous optimal health status.

Main Functions:

- Provide anti-aging and anti-oxidative power to protect body cells and reduce cell deviations
- Enhance skin rejuvenation, smooth wrinkles and firm skin
- Support immune health
- Increase elasticity of blood vessels, and promote heart and cardiovascular health

Suitable for: Adults, want to stay young and healthy, reduce wrinkle, anti-aging, boost immunity, concern about cardiovascular health
