

BEE POLLEN

Contains Phytonutrients

BEE POLLEN
3000mg
per serving

90 Capsules
DIETARY SUPPLEMENT

CATALO Natural Bee Pollen Bee pollen contains a balanced amount of various human essential nutrients, which helps to relieve overwork related stress and enhances the liver functions. Pollen has a very rigid shell which is hard to be digested by human. CATALO Natural Bee Pollen provides natural source of plant phytonutrients, such as proteins, enzymes and antioxidants. The Premium nutrients can be released and absorbed by the body easily.

Main Functions:

- Promote liver detoxification and maintain healthy liver function
- Provide essential nutrients to relieve overwork related stress and improve vitality
- Contain antioxidative phytonutrients to support beauty and longevity
- Accelerate metabolism and enhance immune system

Suitable for: Concerned about liver health, who want to be beautiful and energetic, increase stamina and vigor, stressed, want to improve sleeping quality, frequent drinkers and smokers, long working hours
