

CATALO Extra Tart Cherry Formula contains highly concentrated Montmorency tart cherry powder to enhance the absorption and bioavailability. It is effective in stabilizing uric acid level[#], supporting joint mobility and flexibility. Tart cherry powder contains powerful antioxidants (PACs), polyphenols and flavonoids which help to eliminate excessive accumulation of uric acid. It promotes healthy uric acid metabolism and healthy joints. It also contains natural melatonin that helps to promote sleeping quality.

Main Functions:

- Relieve joint pain
- Ease stiff and swelling joints
- Promote healthy uric acid level
- Promote sleeping quality

Suitable for: Elevated uric acid, joint pain, joint stiffness and swelling, high purine foods diet (mushrooms, meats, organ meats, seafood, alcohol), concerned about uric acid level, improve sleeping quality.
