CATALO Prenatal Algae DHA Drops

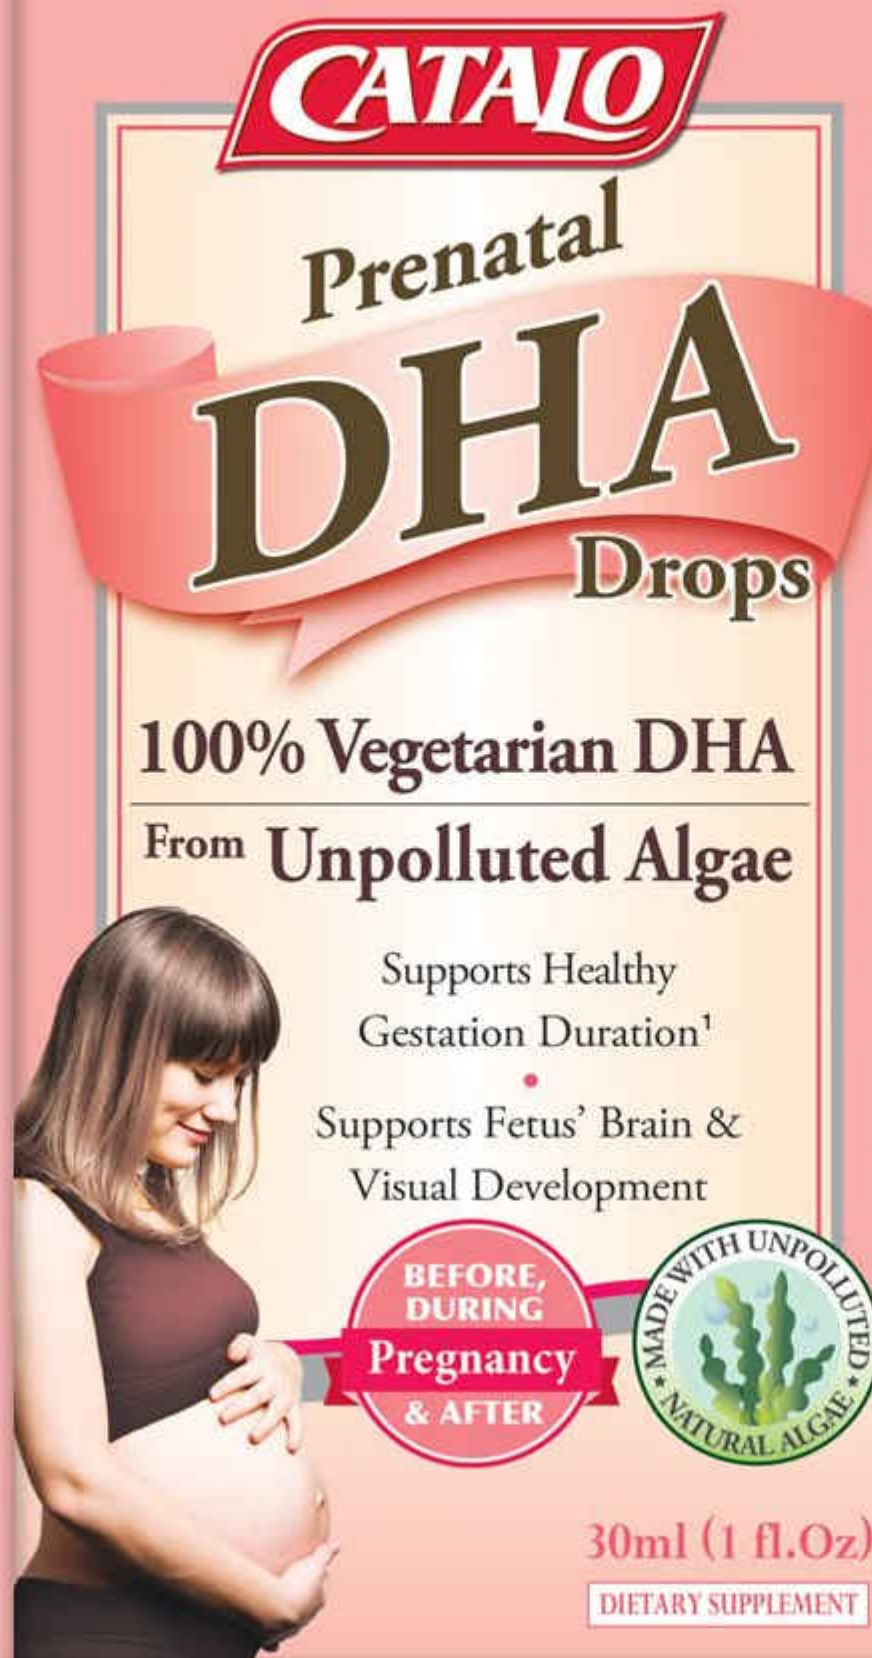

CATALO uses *life'sDHA*TM, which is extracted from micro-algae using patented technology. It is free of ocean-borne pollutants and without the fishy taste. *life'sDHA*TM is recognized by FDA. It is important for pregnant and lactating women to obtain these vital nutrients to enhance the level of DHA in the body to be available for fetus and baby growth. Study showed that obtaining sufficient amount of *life'sDHA*TM supports healthy gestation duration.¹ DHA helps enhance fetus and baby brain and eye development.

Main Functions:

- Supports healthy gestation duration¹
- Support fetus' brain and vision development
- Provide mood support to mothers

Suitable for : Women preparing for pregnancy, pregnant and lactating women
