CATALO Vegetarian Calcium Formula uses unpolluted natural plant source Red Algae Calcium from Iceland. Red Algae Calcium naturally contains Calcium, Magnesium, different minerals and other trace elements. This sustainable algae source is clinically proven to improve bone and joint health.¹ This natural source of Calcium offers a wide spectrum of highly bioactive and natural multi-minerals which make it easier for the body to digest, absorb and utilize. Sufficient supply of Calcium also helps to ease nighttime limb movement and leg cramps during pregnancy. Teaming up with Acerola Cherry Extract, which contains 90mg of natural Vitamin C per serving, further enhances Calcium and Iron absorption and supports immunity.

Main Functions:

- Support bone health during pregnancy
- Promote fetal bone tissue development
- Support immunity

Suitable for: Women preparing for pregnancy, pregnant and lactating women
