HEART HEALTH[†] PROBIOTIC

Did you know you gut and heart are connected?

Studies show that certain bacteria help with heart health. Ombre uses those probiotic strains in our proprietary heart blend to support healthy cholesterol management, metabolism, and digestion- all essential for a healthy heart!

Our Heart Health[†] probiotic has been formulated with clinically proven strains that:

- ✓ Maintain healthy triglyceride and blood pressure levels in normal ranges[†]
- ✓ Support healthy cholesterol management and metabolism[†]
- ✓ Aid insulin sensitivity for enhanced energy[†]
- ✓ Ease occasional constipation and other digestive issues[†]
- ✓ Promote healthy weight management[†]
