Caution: St. John's Wort may cause increased photo sensitivity in some individuals. Use caution while taking this product during exposure to sunlight. If symptoms arise, discontinue the use of this product.

Consult a physician before using St. John's Wort with prescription drugs.

Our Standardized St. John's Wort, Griffonia Bean (L-5-HTP) and Siberian eleutherococcus extracts are manufactured by European phytopharmaceutical companies under strict European quality control standards. Like all European herbal extracts, their production is regulated to the same high standards as Over-The-Counter drugs.
