## Supplement Facts

Serving Size: 2 Tablets  
Servings Per Container: 60

|                                                                                                      | Amount Per Serving | % Daily Value |
|------------------------------------------------------------------------------------------------------|--------------------|---------------|
| Vitamin A (as retinyl palmitate and 10% as beta-carotene from carrot oleoresin (Daucus carota) root) | 1320 mcg (4400 IU) | 150%          |
| Vitamin C (as ascorbic acid)                                                                         | 93 mg              | 100%          |
| Vitamin D <sub>3</sub> (as ergocalciferol)                                                           | 10 mcg (400 IU)    | 50%           |
| Vitamin E (as d-alpha-tocopherol)                                                                    | 6.7 mg (10 IU)     | 45%           |
| Thiamine (as thiamine mononitrate and from rice)                                                     | 10 mg              | 833%          |
| Riboflavin (as riboflavin and from rice)                                                             | 10 mg              | 770%          |
| Niacin (as niacinamide and from rice)                                                                | 50 mg              | 310%          |
| Vitamin B <sub>6</sub> (as pyridoxine hydrochloride and from rice)                                   | 10 mg              | 590%          |
| Folate (400 mcg folic acid)                                                                          | 667 mcg DFE        | 170%          |
| Vitamin B <sub>12</sub> (as cyanocobalamin and from rice)                                            | 10 mcg             | 420%          |
| Biotin                                                                                               | 360 mcg            | 1000%         |
| Pantothenic acid (as calcium pantothenate)                                                           | 12 mg              | 240%          |
| Choline (as choline bitartrate and from soy lecithin)                                                | 25 mg              | 5%            |
| Calcium (as calcium carbonate)                                                                       | 300 mg             | 25%           |
| Iron (chelated)                                                                                      | 18 mg              | 100%          |
| Potassium (as potassium phosphate)                                                                   | 10 mg              | 0%            |
| Magnesium (as magnesium oxide)                                                                       | 150 mg             | 35%           |
| Iodine (from kelp)                                                                                   | 160 mcg            | 70%           |
| Zinc (chelated)                                                                                      | 15 mg              | 140%          |
| Selenium (as sodium selenite)                                                                        | 1.6 mcg            | 2%            |
| Copper (chelated)                                                                                    | 2 mg               | 220%          |
| Manganese (chelated)                                                                                 | 10 mg              | 430%          |
| Chromium (chelated)                                                                                  | 0.8 mcg            | 2%            |
