| Zinc (as zinc oxide)                                    | 4 mg                               | 36%           |
| Selenium (as sodium selenate)                           | 27 mcg                             | 49%           |
| Copper (as copper gluconate)                            | 0.4 mg                             | 44%           |
| Manganese (as manganese sulfate)                        | 1 mg                               | 43%           |
| Chromium (as chromium chloride)                         | 18 mcg                             | 51%           |
| Molybdenum                                              | 25 mcg                             | 56%           |
| Sodium (as sea salt and sodium citrate)                 | 520 mg                             | 23%           |
| Potassium (as potassium citrate)                        | 370 mg                             | 8%            |

 \*Percent Daily Values are based on a 2,000 calorie diet.  
 †Daily Value not established.

**OTHER INGREDIENTS:** Arbonne Protein Matrix Blend (pea protein isolate, creatine protein, rice protein), inulin, natural flavors, high oleic sunflower oil, nonfat pears, clove leaf extract, flaxseed, disodium phosphate, modified tapioca starch, tricalcium phosphate, rice hulls.

Made in a facility that processes wheat, eggs, soybeans, milk, and coconut.

Peas are legumes. People with allergies to legumes such as peanuts should be cautious when introducing pea protein into their diet because of the possibility of a pea allergy. This product is not formulated with peanuts or tree nuts.

**NOTE:** Pregnant or breast-feeding women, those with a medical condition, and those taking medication should consult with a healthcare provider before use. This product was designed to meet an adult's nutritional needs. Parents should check with their pediatrician before adding any dietary supplement to their children's diet. Do not use if pouch is torn or open. **Keep out of reach of children.**
**Notice:** For those who wish to use this product for weight reduction, use only as directed in the 30 Days to Healthy Living plan (arbonne.com). Do not use in diets supplying less than 400 Calories per day without medical supervision.
