 Support Education of Girls & Ethical Trade**

Dear Loyal Tea Drinker,

Thank you for helping us make a difference in the world. With every box sold, 10% of our profit goes to the WAAW Foundation, a non-profit organization that educates and empowers young girls in Africa, and trains them to become leaders who contribute to technology, innovation and economic growth.

Through Fair Trade practices, we support small organic farmers around the world, which enables them to build vibrant communities.

You are helping us increase the availability of organic, chemical-free produce; and contributing directly to these impactful causes.

Together, we can make a difference.

Thank you!

Avocado leaves contain flavonoids, polyphenols and a compound called quercetin that may support respiratory functions, maintain health blood sugar levels and promote heart health.*
