ActivEssentials™ with Calcium

DIRECTIONS: Consume the contents of one packet twice daily, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication, especially blood thinners, should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged. The labeling on this product does not comply with California's Proposition 65. Therefore, this product may not be sold in California.

ActivEssentials™ with Calcium is a combination of four targeted nutritional formulas packaged together to provide convenient and comprehensive nutritional support.

ActivNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetarian capsules.

OmegaPure 600 EC™ is International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each fish-pelletized softgel provides 600 mg of EPA and DHA. The softgels are covered with a GRAS-certified enteric coating so that they are easy to swallow and the EPA/DHA content is optimally absorbed. EPA and DHA from fish oil promote wellness by supporting cardiovascular health, cytokine balance, joint health, and brain and nervous system function.⁹

Oraxinol™. An innovative blend of ORAC botanicals. ORAC (oxygen radical absorbance capacity) is a rating developed by the National Institute on Aging to measure antioxidant capacity. An ORAC rating of 6000 $\mu\text{mol TE}$ (trolox equivalents), as found in two capsules of Oraxinol, has been shown to have the antioxidant equivalent of five to nine servings of fruits and vegetables.⁶

Ossopan 1100™: Features MCHC (microcrystalline hydroxyapatite concentrate), a complex crystalline compound composed primarily of calcium, phosphorus, organic factors, protein matrix, growth factors, and a full spectrum of trace minerals that naturally comprise healthy bones.*

Each packet contains: 2 ActivNutrients without Iron capsules, 1 Oraxinol capsule, 1 OmegaPure 600 EC softgel, and 1 Ossopan 1100 capsule.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

XYMOGEN supports the initiative

XYMOGEN is committed to reducing the amount of plastics used throughout our business, particularly in the packaging of our products. With our participation in the United Nations Environment Programme Clean Seas Initiative, we strive to positively decrease our environmental footprint, providing results that can ultimately:

- ▶ Help free the ocean of litter, making it safer for millions of marine animals.
- ▶ Reduce the use of non-renewable resources.
- ▶ Keep wild-caught seafood healthy and safe to eat.
- ▶ Protect maritime economies such as organic fishing, tourism, and recreation.

We are doing our part to make a world of difference. How are you making an impact?
