ActivEssentials™
with OncoPLEX™ & D3

DIRECTIONS: Consume the contents of one packet daily, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication, especially blood thinners, should discuss potential interactions with their healthcare professional. Do not use if packet is damaged.

ActiveEssentials™ with OncoPLEX™ & D3 is a conveniently dose-packaged combination of three formulas that provide comprehensive nutritional support for health and well-being especially when higher vitamin D intake and long-lasting antioxidant support against free radical damage is desirable.*

ActiveNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetarian capsules.

OncoPLEX® & D3: Encapsulate provides 2000 IU of vitamin D3 and 15 mg of glucoraphanin from highly concentrated broccoli seed extract, an ingredient found in XYMOGEN's formulas OncoPLEX® and OncoPLEX® ES. Glucoraphanin is the precursor to sulforaphane, and it possesses antioxidant activity that lasts up to 72 hours—significantly longer than the activity of vitamins C, E, or beta-carotene. Glucoraphanin also activates the transcription factor Nrf2, which induces increased synthesis of phase 2 detoxification and antioxidant enzymes. D3 is provided as cholecalciferol, identical to the form in which it is derived in the body from cholesterol and synthesized by sunlight on the skin. D3 has been shown to raise and maintain serum vitamin D and increase storage concentrations of vitamin D better than D2.*

Omega MonoPure® 650 EC: Features natural enzymatically enhanced MaxSimil® monoglyceride fish oil that has a three times greater EPA/DHA absorption rate than an equivalent dose of ethyl ester fish oil. This translates to less fish oil in a smaller softgel for easy swallowing. This IFOS five-star certified fish oil outperforms other fish oils through MaxSimil patented lipid absorption enhancement technology (PLATform).*

Each packet contains: 2 ActivNutrients without Iron capsules, 1 OncoPLEX & D3 capsule, and 1 Omega MonoPure 650 EC softgel.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

XYMOGEN supports the initiative

XYMOGEN is committed to reducing the amount of plastics used throughout our business, particularly in the packaging of our products. With our participation in the United Nations Environment Programme Clean Seas initiative, we strive to positively decrease our environmental footprint, providing results that can ultimately:

- Help free the ocean of litter, making it safer for millions of marine animals.
- Reduce the use of non-renewable resources.
- Keep wild-caught seafood healthy and safe to eat.
- Protect maritime economies such as organic fishing, tourism, and recreation.

We are doing our part to make a world of difference. How are you making an impact?
