OptiMetaboliX 2:1

Vanilla Delight

OntiMetaboliX 2:1 is an exclusive combination of

well-researched, clinically validated, and highly bioavailable

ingredients that provides multimodal support for healthy

insulin and glucose metabolism and related pathways, It

features InSea24-an optimized blend of purified polyphenols

from wild-crafted brown seaweed. InSea2 uniquely slows

carbohydrate digestion and assimilation and can reduce the

impact of high-glycemic foods. This newly developed, next

generation dual carb controller is 100% natural, has an

excellent safety profile, and is friendly to the gastrointestinal

OptiMetaboliX 2:1 also delivers other innovative ingredients,

has been studied extensively for its roles in supporting healthy

glucose uptake, glycogen synthesis, and insulin action, along

with maintaining blood lipids already within the normal range.

These principal ingredients are complemented by the inclusion of benfotiamine to boost transketolase activity;

alpha-lipoic acid; green tea leaf extract; vanadium, chromium,

and zinc as Albion' TRAACS' chelates; 5-MTHF (bioactive

folate) as Quatrefolic": and other key vitamins and minerals.1

DIRECTIONS: Blend, shake, or briskly stir the contents of one packet (43 g) into 8-10 oz chilled water and consume approximately 20-30 minutes before a main meal; or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Not intended for use by pregnant or lactating women or children under 12. Individuals taking medication should discuss potential interactions with their healthcare professional. The labeling on this product does not comply with California's Proposition 65. Therefore, this product may not be sold in California.

STORAGE: Keep closed in a cool, dry place out of reach of children.

including VegaPro"-a proprietary sugar-free, sweetener-free, FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, low-allergy-potential source of vegetable protein from pea animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, protein and rice protein-and CinSulin*, a patented water artificial colors, artificial sweeteners, and artificial preservatives. extract of cinnamon with a potent 10:1 yield ratio. Cinnamon

#CleanSeas

XYMOGEN is committed to reducing the amount of plastics used throughout our business, particularly in the packaging of our products. With our participation in the United Nations Environment Programme Clean Seas initiative, we strive to positively decrease our environmental footprint, providing results that can ultimately:

- Help free the ocean of litter, making it safer for millions of marine animals
- Reduce the use of non-renewable resources
- » Keep wild-caught seafood healthy and safe to eat.
- » Protect maritime economies such as organic fishing tourism, and recreation.
