

DIRECTIONS: Take one tablet, up to two times daily, with a meal, or as directed by your healthcare professional. Do not exceed recommended dose.

Consult your healthcare professional prior to use if you have, or suspect you have, a medical condition or are taking prescription drugs for depression, migraines, Parkinson's disease, or psychiatric disorders. Not for use by children.

5-HTP CR has a delivery system that releases 5-HTP slowly and steadily over a period of time. 5-HTP is a drug-free amino acid derived from a plant that naturally increases the body's level of serotonin, the chemical messenger that affects emotions, behavior, appetite, and sleep. Today's stress-filled lifestyles and dietary practices may negatively affect how the body handles serotonin. Regular use of XYMOGEN's 5-HTP CR helps promote a more positive outlook and greater appetite control.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Do not take if you are, or suspect you are, pregnant or if you are lactating, or under 18 years of age.

STORAGE: Keep closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, and artificial preservatives.
