

DIRECTIONS: Take one capsule one to two times daily with food, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

CholeRex™ features policosanol, a substance isolated from sugarcane wax that is used to support blood lipid metabolism. It is combined with OptiMag® 125, XYMOGEN's proprietary blend of two Albion® magnesium chelates. These forms of magnesium are known to be well tolerated and have excellent bioavailability. Combining policosanol and OptiMag 125 is thought to complement each component's cardioprotective benefits.*
