

DIRECTIONS: Blend or shake one scoop (about 6.1 g) in cold liquid or sprinkle on cold food, such as salad, or use as directed by your healthcare practitioner. Do not heat, cook, or add to hot food or liquid.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner, and individuals with egg allergies should not consume this product. Do not use if tamper seal is damaged.

IG 26 Plus DF is an easy-to-mix, dairy-free supplement designed to support intestinal health and immunity and, in turn, positively impact multiple aspects of systemic health. The formula contains powdered hyperimmune egg, which naturally provides IgY and immunoregulatory factors, and birch arabinogalactan, a dietary prebiotic fiber. Human studies on the supplementation of these ingredients suggest they boost the body's potential to defend itself against immune challenges.*
