

Latero-Flora™ will help maintain a healthy digestive tract and will repopulate the intestines with transient beneficial bacteria, to help support the immune system.†

Suggested Use:

Adults: Every morning, 20 minutes before eating, take two capsules with water. After one month, reduce usage to 2 to 3 times weekly.

Children: One capsule as described above. If you wish, capsules may be opened and contents mixed in purified water.

Latero-Flora™ is a revolutionary dietary supplement containing *Brevibacillus Laterosporus* (BOD strain), a viable microorganism, formulated under a registered Patent #5455028.†
