

DIRECTIONS: Take one softgel daily, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking blood thinners or other medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

Omega MonoPure® 650 EC features natural enzymatically enhanced MaxSimil® monoglyceride fish oil that has a three times greater EPA/DHA absorption rate than an equivalent dose of ethyl ester fish oil. This translates to less fish oil in a smaller softgel for easy swallowing. This IFOS five-star certified fish oil outperforms other fish oils through MaxSimil patented lipid absorption enhancement technology (PLATform).*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy protein, dairy products, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Manufactured using MaxSimil® fish oil. MaxSimil® is a registered trademark of Ingenutra Inc. Protected under U.S. patents 8,119,690 and 8,198,324; Canadian patents 2672513 and 2677670.

Third-Party Certificate of Analysis (COA) for this specific lot can be found by scanning the QR code.

IFOS® certification mark is a registered trademark of Nutrasource Diagnostics Inc.
