

DIRECTIONS: Swallow with liquid or chew one tablet immediately after breakfast and one tablet before bedtime, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

PepciX™ is a zinc-carnosine complex consisting of elemental zinc as well as L-carnosine, a naturally occurring dipeptide (beta-alanine and L-histidine) found in muscle and brain tissue. More than 40 human and animal studies have demonstrated PepciX safely and effectively supports the stomach's own natural cell-protective mechanisms without interfering in the normal digestive process.*
