

DIRECTIONS: Take one capsule twice daily before or during meals, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

Probio Defense™ is a combination of probiotic bacteria that supports the immune and gastrointestinal systems. It is formulated with ten billion live organisms per capsule† and provides well-researched strains chosen for their ability to maintain viability throughout the small intestine. The three strains in Probio Defense are registered in the National Collection of Microorganism Cultures at the Institut Pasteur in France.*

Selenium and zinc are present to help balance intestinal flora and maintain the body's natural immune defenses.*
