

DIRECTIONS: Dissolve one scoop of RelaxMax® into 6 fl ounces of cool, pure water. Drink one to two times daily, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

RelaxMax is an innovative formula in the form of cherry-flavored, powdered drink mix. It contains a blend of ingredients that supports the body's natural synthesis of catecholamines, the inhibitory neurotransmitter GABA, hormonal balance, and healthy glucose metabolism. RelaxMax aims to promote a calm, relaxed, well-balanced emotional and physiological state.*
