

DIRECTIONS: Take one softgel twice daily, or use as directed by your healthcare professional.

Consult a healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

Xcellent E™ features EVNol SupraBio™ full-spectrum palm tocopherol/tocotrienol complex. EVNol SupraBio's patented bio-enhancing technology has been shown to increase tocotrienol absorption rates in humans by an average of 250%. Tocotrienols confer unique health benefits not provided by tocopherols. This means Xcellent E not only enables superior absorption but also provides more comprehensive vitamin E benefits than tocopherol-only formulas.*
