Manufactured by NOW FOODS, 395 S. Glen Ellyn Rd. Bloomington, IL 60108, USA nowfoods.com

Made and quality tested in the USA with globally sourced ingredients.

Pycnogenol® is a registered trademark of Horphag Research. Use of this product may be protected by one or more U.S. patents and other international patents.

This extra strength product has more Pycnogenol® (150 mg per capsule) than our 100 mg capsule product.

Store in a cool, dry place after opening.

Suggested Usage: Take 1 capsule daily.

Pycnogenol® is a unique combination of proanthocyanidins derived from the bark of the French maritime pine. Pycnogenol® is a potent free radical neutralizer, supports a healthy, balanced immune system response, and promotes the production of collagen, hyaluronic acid, and nitric oxide.* Clinical and non-clinical studies have demonstrated that Pycnogenol® can help to maintain healthy eyes, skin, and joints, and can support normal vascular structure and function.* Recent clinical studies have shown that Pycnogenol® may also promote a healthy urinary tract.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

This bottle is made from 100% PCR (post-consumer recycled) resin.
