

Suggested Usage: Take 1 softgel daily with a fat-containing meal.

Astaxanthin is a naturally occurring carotenoid derived from non-GMO *Haematococcus pluvialis* microalgae. Due to its unique structure, astaxanthin plays an important role in cellular free radical protection and healthy immune system responses.* Astaxanthin has been shown in clinical studies to promote normal cognitive function and may help to maintain a positive mood in adults.* In the eye, it helps to neutralize free radicals and helps to manage eyestrain due to computer usage.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
