

PRODUCT BENEFITS: This unique formulation is an excellent source of many of the vitamins and minerals pregnant and nursing women need most. This formula is also rich in Folic Acid, Iron, and Vitamins A, C, and E. Healthful diets with adequate folate may reduce a woman's risk of having a child with a brain or spinal cord birth defect. Folate intake should not exceed 1000 mcg.

Directions: For adult women, take four (4) tablets daily preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or Poison Control Center immediately.
