

**Directions:** Take two (2) or more softgels daily with meals, or as directed by a healthcare practitioner.

Enteric coated to withstand stomach acids.

Because **Triple Maxi Omega-3 Concentrate™** is enteric coated, more EPA/DHA gets absorbed in the body, and its required dosage is less than non-coated fish oil.\*

*Our fish oil is rigorously third party tested to provide guaranteed potency, purity and to ensure it meets or exceeds U.S. standards for contaminants such as mercury, lead, cadmium, PCBs, pesticides and dioxins.*

Store tightly closed in a cool, dry place. Keep out of reach of children.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

This product was manufactured in a GMP Certified facility.
